A Research Conference

THE NEW RURAL-URBAN INTERFACE

Bringing together leading social scientists addressing challenges facing rural and urban areas in key research domains: environment, health, housing, immigration, food systems, the labor market, and politics and civic engagement.

1:30-6:30 PM, September 29 and 8:30 AM-3 PM, September 30, 2016

Annenberg Public Policy Center, University of Pennsylvania, Agora Room, Philadelphia, PA
